## **RULES & REGULATIONS:**

- 1) Current USGA & Local Rules govern all play.
- 2) If you have not reached the green in 9 strokes, pick up your ball, proceed to the green, place ball at fringe (furthest point from pin) and, continue to putt until ball has been holed-out. Score will be 9 strokes plus number of strokes on green, but not more than an 11.
- 3) Allow faster players to pass.
- 4) Please replace divots and repair ball marks.
- 5) Motorized cart rentals are per person.
- 6) All cart rules must be strictly followed.
- 7) **No make-ups permitted after August 12, 2013.**

## **ADDITIONAL INFORMATION**

### **FYI:**

- Blue, White and Red posts marks 200, 150, 100 yards to center of green, respectively.
- Yellow Stakes indicate hazards
- Red Stakes indicate lateral hazards
- Fence(s) marks out of bounds
- "No Nearer to Pin" means you may not place your ball closer to hole under any circumstances
- A Ball that lands on a cart path can receive a free drop, no nearer to pin

### **PENALTIES:**

- When your ball lies within a hazard, water or sand, you may not "ground" your club (make contact with the water or ground). Penalty for violating this rule is 2 strokes. (Reference Rule 13)
- If your ball lands in a water hazard and you opt not to play the ball from within the hazard, you may, under a one-stroke penalty, retrieve the ball and drop it into play. (Reference Rule 26)
- If your ball is lost, or has been hit out-of-bounds, you may drop another ball into play at the point at which the "lost" ball was played. You must however, count the stroke that lost the ball (or caused the ball to go out-of-bounds) and add one additional stroke to place the new ball into play. Resume play at the point of your last stroke. (Reference Rule 27)
